Verdict **For** Excellent specification makes this van good value for money.
Against Washroom size compromised to fit layout into shorter van.
Verdict A fantastically equipped van worth considering if you can live with the compact washroom.

Verdict **For** Impressively light weight and richly finished.
Against A few small niggles affect every day useability.
Verdict An attractive van with a great balance between living space and the end washroom and fixed bed.

Verdict **For** End washroom is spacious and overall build quality is good.
Against The heavy MTPLM rules out many popular towcars.
Verdict If you have a large towcar, this is an attractive version of this new layout.
